1	Spectacular set of gold daguerreotype lockets belonging to Mary Abigail Fillmore (1832-1854) the younger of President Millard Fillmore's two daughters, and recently purchased from direct Fillmore descendants. The smaller is 1" diameter and contains a dag portrait of President Fillmore, opposite a lock of his hair, both under glass. Exterior with engine-turned design and engraved "MAF/1851". Very minor perimeter tarnish. Push button missing from latch. The larger locket is 1 1/2" diameter with twin buttons to open either side. One side with tinted dag of Mary's mother Abigail Powers Fillmore (1798-1853) opposite a lock of her hair, initials "AF" engraved below. Opposite side opens to tinted dag of her elder sister Millard Powers Fillmore (1828-1889) and lock of her hair, initials "MPF" engraved below. Exterior engine-turned, engraved M A Fillmore/1853". With 10" chain. Superb condition, few minor specks of tarnish. 19,500.	9	The finest political brooch I've seen. 1 X 3/4" gold mount with lovely multicolor miniature on ivory of Andrew Jackson under beveled glass. Original pin intact, pristine condition. Predates by 10 years or so the Harrison sulfides and similar pieces. 4,850.
2	2 1/2 X 5 black on pink silk "Free Territory for a Free People - A Lincoln - H Hamlin", portraits above split rail fence. Outstanding condition - just a couple small very light glue spots near top/bottom edges. 11,000.	10	Zachary Taylor <u>multicolor</u> snuffbox "Old Rough and Ready - Hero of the War with Mexico". Well above average condition, some tiny scattered pinprick flakes in background. Fine to exc 1,275.
3	Exceptional and probably unique very large needlework (Berlinwork) in 42 X 58 gilt frame. Brilliant multicolor, superb condition. An American commodore of the Mediterranean squadron (either Decatur or Bainbridge) is greeted on shore by north African emissaries of Algiers or Egypt, together with two eastern European or Russian dignitaries. I've owned this for 10-15 years, but have never taken the time to track down the exact scene - no doubt copied from a contemporary print of the first quarter of 19th century. I was going to give it a permanent home in the dining room here in Gardner, but even with 22 rooms I'm running out of wall space. 9,750.	11	One of the advantages of having a widely distributed catalog is that readers offer you items similar to those they see listed. My last sale had a Charleston SC slave badge for which I had several requests. These tags were worn by slaves when they were hired out for day labor, to show that they had permission to move about town. Offered here is one of the <u>earliest</u> I've seen "Charleston - No 552 - Servant - 1815". Reverse stamped "LAFAR" - the maker. 2" copper, excavated, with surface verdigris. Condition VG or fine minus. Accompanied by lengthy illustrated article on slave tags. 1,750.
4	One of the best Mexican War/political items I've owned. 52" percussion Kentucky rifle with tiger maple half stock, 37" octagonal barrel, set triggers. Forestock with numerous silvered brass floral and geometric inlays. Butt stock inlaid with coiled snake, eagle in oval, 3 1/2" uniformed bust "M G Z Taylor" (Major General Zachary Taylor). Other side with hinged brass patchbox. Generally excellent condition - missing just a couple tiny flower petal inlays. Makers initials AC on top of barrel. Attributed to Schuyler County, Pennsylvania. The only Kentucky rifle I've seen with an historical portrait. 14,500.	12	Lincoln beardless cameo in unidentified composition material, possibly lava with applied color. Bust is off-white, background greyish lavender, brass 1" rim. Reverse pin gone. 650.
5	Very rare multicolor tobacco card by Allen & Ginter, 1887, exc. 450.	13	"George Washington" bust, sunburst, stars, "Success to the United States". Sullivan GW 1792-1, brass, choice VF. 350.
6	Unique 2" gold stick pin, cow with red enamel eyes, attached to gold dollar and 3-dollar coins. The reverse of latter is shaved and engraved in fancy lettering "Buffalo Bill to Bob, 1880". I just bought this a couple weeks ago for \$1,500. 1,850.	14	18 mm brass rim ferrotype "McClellan", <u>near mint</u> (small spot above head is not a chip but black speck in emulsion). No pin. 325.
7	Very rare copper weathervane, 50" long, 28" high, 4 1/2" diameter. A full bodied single-draw nautical telescope in original weathered mustard yellow paint. 9" 4-prong iron lightning rod at top. With modern metal stand (not shown). Excellent condition. This was offered at the Winter Antiques Show (NYC) about 5 years ago for over \$30,000. I subsequently acquired it as part of a large transaction, and it's now available for the very realistic price of 12,000.	15	Rare counterstamp on quarter section of 8 reales coin, "PB" within chain, "Nouvelle Orleans" surrounding eagle on other side. Puech, Bein & Co were New Orleans bankers circa 1812-1834 who were engaged in furnishing cut segments of coins for exchange in the West Indies, circa 1832-34. A very small number of these cut segments were stamped by the makers and circulated as advertising storecards, and are the only recorded tokens of this type. Superb XF condition. 1,750.
8	12" gold quartz watch chain of 6 large segments plus end piece, total of 14 slabs of quartz. Segments connected by triple ring gold links. Suspended from chain is 1" gold quartz locket depicting California bear in gold at center. A few thin hairline cracks in the quartz panels, but nothing missing. Exceptional 19th cent piece. 4,400.	16	Wonderful carte de visite photo Susan B Anthony and Elizabeth Cady Stanton, by Sarony NY (Note spot above SBA is <u>not</u> on photo). 600.
		17	Very rare Zachary Taylor "Reception Committee" silk, exc. 1,950.
		18	Rare Clay-Frelinghuysen jugate silk with the latter shown only as "Theodore". Some very light discoloration, small 1/4" piece gone at bottom edge. Not in Sullivan-Fischer. 825.
		19	2" bronze medal by Manly of Philadelphia, the first American made medal of Washington, 1790. "Born Virginia ... General Amer Armies 1775... Pres US 1789". XF/VF 450.
		20	(reflections in photos) Exceptional quality 1 1/2" spherical porcelain knobs with lavender tone painted portraits President and Mrs. Cleveland. Rest of decoration is deep cobalt blue with gilt decoration, probably Sevres. Interior is <u>threaded</u> , probably intended as cane heads. Mint condition. 1,200.
		21	Exceedingly rare ruby glass sixth plate ambrotype beardless Lincoln. Appears to be a retouched version of the Cooper Union photo, Ostendorf 17. Several scratches and small scrapes, 3/8" area rubbed away at side of temple. If choice condition would be over \$5,000. 900.
		22	Scarce 3 1/4 bronze by Magniadas, Dedicated by French Democracy to A Lincoln, reverse winged Liberty and two slaves at monument, inscriptions in French about abolishing slavery, saving the Union, etc. Superb sculpture, high relief, pristine condition. King #245 375.

560	15" coin silver water pitcher. Beaded rim, leaves around shoulder, grapes, vines and heads around widest circumference. High relief King Neptune & dolphins under handle. Square base with paw feet. Twelve line inscription in center, covering large area. "Presented to George D Prentice, Senior Editor of the Louisville Journal, by a number of the friends of Genl Taylor of Paris & Bourbon County Ky, as a mark of their approval of his general course as the Editor of one of the most influential Political Journals in the Valley of the Mississippi, and more especially to express their admiration of the Genius, Zeal and Efficiency displayed by him in support of the Cause of the People and in the election of Genl Taylor to the Presidency in 1848." At side is engraved printing press and appropriate sayings on the power of the press. Front panel of base is signed "E & D Kinsey, Makers, Cin O" (Cincinnati Ohio) 13,500.	571	Terrific oil painting on canvas 28 X 40, in gilt frame 33 X 46 signed Arnold Plancher (Flancher?, Hancher?) 1936. Title plate (in Italian) "The Conqueror of the New Empire". Mussolini on white horse leading troops. Excellent composition and condition. I really like this one! 1,300.
561	One of the best early boxing items I've seen. Heavy 5 1/2" high 5" diameter glass pitcher with copper-wheel cut scene of fighters in ring "Heenan & Sayers April 17th 1860". Pristine condition. 1,900.	572	4 1/2 X 6 RWB/blk celluloid sign 75.
562	15" brass surveyors compass (with brass lid and wood case, not shown) by Frederick Heisely, Harrisburg PA, circa 1847. Dial decorated with eagle, flags, "A Little More Grape, Captain Bragg", reference to Zachary Taylor's order to Braxton Bragg at Buena Vista. Super condition. 5,250.	573	24" multi paper litho over cardboard over wood decks Battleship Oregon. Eagle and shield lithos, wood cannons, smokestacks, mast and wheels. Generally exc, some wear on edges. Probably by Bliss. 950.
563	Beautiful multi 24" round tin, a little light wear, exc plus, 8 1/2 (reflection at bottom of photo, not wear). 365.	574	Large 28 X 42 blk/wht. Few minor edge tears, slight discoloration on right margin and upper left corner, overall excellent and a real attention grabber. (The soiling on right will clean with artgum eraser or resin bag) 900.
564	Outstanding leather trunk 30X15X13, decorated in brass nails "New Orleans Tacken January 8 1815 by Mager Gen Andrew Jackson - March 4 1829 Elected President". Normal wear, nice, unique. 2,750.	575	1871 4 pg. pamphlet Appeal to Women of the US by Nat Woman Suffrage and Educational Committee (Susan B Anthony and 5 others). Explanation of rights, purpose of group, appeal for help and funds. Mint, very early 150.
565	Superb pair Blackfoot (or Crow) backrests circa 1900. Each 36X59, willow rods, red trade cloth with multicolor beadwork, deer dew claws along sides, attached with brain-tanned buckskin. Both in superb condition and 100% original, except that the invisible cord connecting the rods has been replaced with nylon as a conservation measure. Not shown in catalog are the original painted and engraved tripod support poles (one of the six is broken but complete). These backrests are rare - to find a matched pair is exceptional. Provenance to purchaser. 4,750.		
566	Full size quilt, white with red applique borders and red embroidered design. Five locomotives with railroad names on sides. Border has logos/emblems of many different railroads. Outstanding mint condition, brilliant color, circa 1920. 2,500.		
567	Unique large bronze/walnut plaque 16X22, US & Israel flags "Humanitarian Award-National Committee for Labor Israel-to Alben W Barkley Vice Pres of US...outstanding efforts in fostering understanding between peoples of US & Israel...endeavors on behalf of HISTADRUT, General Federation of Jewish workers in Israel...1950". Mint cond, outstanding display item. 650.		
568	Neat self framed tin 23X33, incubators, egg brooders, farm scales, fanning mill. Few scattered minor marks, frame and center near mint. Rolled rim has couple worn areas. 550.		
569	Large 22" multicolor plaster figurine. 250.		
570	23 X 32 multi poster for the famous strong lady Charmion, in a pretty and uncharacteristically feminine dress. Artist signed LEM, published by Chaix-Cheret. Dry mounted, near mint except for small tape stain each corner. Will ship without glass. 700.
